

PGD Checklist

National Services

PGD Expires

EHC	PGD NO: 323 Levenogestrel 1500mcg	Version 5	(Aug 2021)	<input type="checkbox"/>
MAS	PGD NO: 125 Fluconazole 150mg	Version 7	(Aug 2021)	<input type="checkbox"/>
Varenicline	PGD NO: 445 Varenicline	Version 4	(March 2022)	<input type="checkbox"/>
Unscheduled Care	PGD NO: 117 Urgent Provis of Meds	Version 26	(Oct 2020)	<input type="checkbox"/>

NB* Unscheduled care PGD is updated nationally every 6 months – the updated version should be signed and submitted on a 6 monthly basis.

Locally Negotiated Services

NB! Pharmacy First Contract and Pharmacy First Extension service contracts cover a number of conditions and **PGDs should be submitted for all conditions** covered by the individual contracts from all **staff providing the service**. These services should not be provided on a 'pick and mix' basis but should be provided in line with contracts.

Pharmacy First contractors are signed up to provide emergency medication for exacerbation of COPD, management of uncomplicated UTI and treatment of impetigo.
